

The diagram is a detailed architectural floor plan of a classroom. It features a grid of desks and chairs arranged in two main sections. Key technical elements include:

- Seating:** Desks and chairs are arranged in rows. Dimensions for desk width (69.5 cm) and row spacing (180 cm) are indicated.
- Ventilation Units (OSR):** Multiple rectangular units labeled "OSR" are positioned along the walls and between desk rows. Some are labeled with "A" or "B".
- Technical Specifications:**
 - "RS Ø 100mm" is noted at the top and bottom edges.
 - "RZUTNIK 260 cm" is labeled near the top right.
 - "7,8kW" and "T02.sl" are noted near the bottom right.
 - "T02.g1" and "T02.g2" are labeled near specific OSR units.
 - "96.8" is a dimension near a central OSR unit.
 - "D1" is a circular feature near the top right corner.
- Annotations:**
 - "gniazdo do rzutnika nad sufitem podw. (dokładna lokalizacja do ustalenia w trakcie wykonawstwa)" points to a location near the top left.
 - "wypust zasil. wentylację 230/400V (dokładna lokalizacja do ustalenia w trakcie montażu wentylacji)" points to a location near the bottom right.
- Dimensions:** Horizontal dimensions of 300 cm and 180 cm are marked across the plan.
