

The floor plan illustrates the layout of a residential building with 12 apartments, labeled from Mieszkanie M101 to M112. Each apartment unit is shown with its specific room divisions, including kitchens, living areas, and bedrooms. Gas installation details are provided for each unit, showing the location of gas meters (SG) and the distribution of gas pipes. The plan also includes common areas such as corridors, stairs, and a central utility room. The scale of the drawing is 1:50.

INSTALACJA GAZOWA – RZUT PIĘTRA
