

REQUEST FOR INFORMATION

Dear Sirs,

We hereby inform that ANWIL S.A. is looking for solutions to replace exploited turbine used to drive the synthesis gas compressor.

At this stage we are looking for new ready-to-use steam turbine or electric motors that can drive the currently used synthesis gas compressor.

More detailed technical information regarding the planned investment can be found in the Appendix "TECHNICAL SPECIFICATION FOR RFI".

We kindly ask you to provide the following information:

- Presenting a general description of the target technical solution.
- Presentation of the initial/approximate level of utility consumption.
- Presentation of a list of key equipment.
- Presentation of the estimated budget price for the implementation of the task in the EPC formula.
- Presentation of the expected total project implementation time along with milestones for this type of investment
- Do you foresee any threats to this type of investment?

Additional information on RFI:

Please confirm that you have read and accepted the document: CONDITIONS FOR PARTICIPATION IN THE PROCEEDINGS - REQUEST FOR INFORMATION - RFI (Attachment to this Inquiry).

The purpose of this RFI is to acquire knowledge about potential contractors.

When preparing a response to this request for information, the RFI Bidder has the right to submit additional questions regarding this RFI.

Questions must be directed via the Connect Platform.

All questions relevant to the preparation of information, asked within the prescribed deadline and all answers to the questions will be published on the Platform for the information of all bidders who have volunteered to participate in this request for information, without indicating the author of the question.

In the case of questions and/or answers which, according to the bidder, may result in the disclosure of the Bidder's confidential information, after the Bidder reserves this fact in the content of the question and/or answer, the answer may only be provided to that Bidder.

Based on the questions asked, the Team will prepare uniform feedback - the same for all Bidders. At the same time, ANWIL S.A. reserves the right to refuse to answer submitted questions without giving reasons.

This RFI neither includes our intention to conclude any agreement nor is an invitation for negotiations.

ANWIL S.A reserves the right to change or cancel this RFI at any time without giving any reason. RFI Bidders are not eligible for any claims against ANWIL S.A according to this RFI.

ANWIL S.A. reserves the right to answer just to the selected RFI Bidders.

All costs related to the preparation and submission of the RFI information are borne by the RFI Bidder. Regardless of the results of the action, ANWIL S.A. will not be responsible or indebted in any way for costs or losses incurred by the Bidder in connection with the preparation and submission of the RFI information.

Deadline for providing information: 31.10.2024
