VI. CONDITIONS FOR PARTICIPATION IN THE PROCEDURE AND GROUNDS FOR EXCLUSION (for each lot)

CONDITIONS FOR PARTICIPATION IN THE PROCEDURE

6.1. Bidders who meet the following conditions may apply for the award of the contract:

6.1.1. **the right to perform a specific activity or activity**

The Contracting Authority shall consider that the Bidder meets this condition if it submits a declaration that it has the rights necessary for the proper performance of the contract.

Method of assessment of the condition:

The Contracting Authority shall consider that the Contractor meets this condition if the Contractor submits

a statement on the fulfilment of the conditions for participation in the procedure (Appendix No. 1). The Contracting Authority reserves the right to call upon the Contractor to deliver documents confirming that this condition is met.

6.1.2. **economic or financial situation**

The Contracting Authority shall consider that the Tenderer meets this condition if it submits a declaration that it is in an economic and financial situation ensuring the proper performance of the contract, in particular it is not in a state of bankruptcy, restructuring or liquidation.

Method of assessment of the condition:

The Contracting Authority shall consider that the Contractor meets this condition if the Contractor submits

a statement on the fulfilment of the conditions for participation in the procedure (Appendix No. 1). The Contracting Authority reserves the right to call on the Contractor to provide documents confirming that this condition is met.

GROUNDS FOR EXCLUSION FROM THE PROCEEDINGS

6.2. Grounds for exclusion

6.2.1. Entities related to the Ordering Party in terms of personal or capital are excluded from participation in the procedure.

Capital or personal ties shall be understood as mutual links between the Ordering Party or persons authorised to incur obligations on behalf of the Contracting Authority, or persons performing on behalf of the Contracting Authority activities related to the preparation and conduct of the contractor selection procedure and the Bidder, consisting in particular in:

- a) participation in the company as a partner in a civil partnership or partnership,
- b) holding at least 10% of shares or stocks, unless a lower threshold results from the provisions of law,
- c) performing the function of a member of a supervisory or management body, proxy, proxy,
- d) being married, in a relationship of kinship or affinity in the direct line, kinship or affinity in the collateral line to the second degree, or being connected by adoption, guardianship or guardianship,
- e) cohabitation with the Bidder, its legal representative or members of the management or supervisory bodies of the Bidders applying for the award of the contract,
- f) remaining in such a legal or factual relationship with the Tenderer that there is a reasonable doubt as to impartiality or independence in connection with the procurement procedure.

Method of verifying the grounds/absence of grounds for exclusion:

The verification will take place on the basis of the Bidder's statement and the statements of the Contracting Authority and persons performing activities related to the preparation and implementation of the contractor selection procedure on behalf of the Contracting Authority.

6.2.2 Entities in relation to which the following circumstances occur are also excluded from participation in the proceedings:

- a) Article 7(1) of the Act of 13 April 2022 on special solutions for counteracting support for aggression against Ukraine and for the protection of national security (Journal of Laws of 2024, item 507, as amended);
- b) Article 5k of Council Regulation (EU) No 833/2014 of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (Official Journal of the European Union). EU No L 229 of 31.07.2014, p. 1), as amended by Council Regulation (EU) No 2022/576 amending Regulation (EU) No 833/2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 222, p. OJ L 111 of 8.04.2022, p. 1, as amended. as amended);

Method of verifying the grounds/absence of grounds for exclusion:

The verification will take place on the basis of the Bidder's statement.

6.3. Bids submitted by entities that do not meet the conditions for participation in the procedure or for which there are grounds for exclusion from participation in the procedure are subject to rejection and will not be evaluated.

VII. DESCRIPTION OF HOW THE PRICE IS CALCULATED

- 7.1.** The price should be calculated in net and gross value and entered in the offer form.
- 7.2.** Prices expressed in a currency other than PLN will be converted into PLN according to the average exchange rate of the National Bank of Poland on the date of closing the deadline for submission of bids.
- 7.3.** The price should include all costs related to the execution of the order.

- 7.4. The price specified in the offer may not be changed during the performance of the contract, unless the change will be in favour of the Ordering Party or the possibility of change is provided in Chapter XIII of the request for proposal.
- 7.5. In the event that the offered price or cost seems grossly low in relation to the subject of the contract, i.e. it differs by more than 30% from the arithmetic average of the prices of all valid offers that are not subject to rejection or raises doubts of the Contracting Authority as to the possibility of performing the subject of the contract in accordance with the requirements specified in the request for proposal or resulting from separate regulations, The Contracting Authority shall require the Bidder to submit explanations within the set deadline, including the submission of evidence regarding the calculation of the price or cost. The Contracting Authority shall evaluate these explanations in consultation with the Tenderer and may reject the tender if the explanations submitted together with the evidence do not justify the price or cost in the tender.

VIII. DESCRIPTION OF THE CRITERIA THAT THE CONTRACTING AUTHORITY WILL FOLLOW WHEN SELECTING THE TENDER

- 8.1. When evaluating the bids, the Contracting Authority will be guided by the following criteria:
- Price – 100%,

- 8.2. The point evaluation of the offer will take place in accordance with the formula:

$$OP = Pc$$

where:

OP - point evaluation of the offer

PC - number of points obtained in the "Price" criterion

The number of points (PC) in the criterion "Total net price" will be calculated according to the formula:

$$P_C = \frac{C_N}{C_B} * 100 \text{ pkt}$$

where:

- | | | |
|----|---|--|
| PC | - | Number of points for the "Price" criterion |
| CN | - | Among the offers not rejected, the lowest net price for 1 pre-filled syringe |
| CB | - | net price for 1 pre-filled syringe of the tested offer |

Bids submitted in a currency other than PLN will be converted into PLN at the average exchange rate of the National Bank of Poland on the date of closing the deadline for submission of bids.

- 8.3. The offer that receives the highest number of points will be considered the most advantageous. An offer can earn a maximum of 100 points. The calculation will be performed to two decimal places.
- 8.4. In the event that several offers receive the highest number of points, the offer with the lowest price will be considered the most advantageous among them. In the event that several bids receive the highest number of points and at the same time amount to the lowest price, the Contracting Authority will call on the Bidders who have submitted these bids to submit additional bids in which they will specify the new price. The price specified in the additional offer cannot be higher than the price originally offered.

IX. PLACE AND DATE OF SUBMISSION AND OPENING OF BIDS

- 9.1. Bids must be submitted by 14.05.2026.

- 9.2. The bid must be submitted in electronic form via the Competitiveness Database website, in accordance with the requirements of the "Bidder's Instruction in BK2021" [https://archiwum-bazakonkurencyjnosci.funduszeuropejskie.gov.pl/info/web_instruction] in the form of documents signed by the Bidder or scans thereof, in accordance with the requirements described in point 10.3.
- 9.3. The date and time of submitting the offer in the Competitiveness Database website determines whether the deadline is met.
- 9.4. Bids submitted in a manner other than those described above will not be considered.
- 9.5. The contracting authority does not envisage a public opening of bids.

X. DESCRIPTION OF HOW TO PREPARE THE OFFER

- 10.1. A bidder may submit one bid. Submission of two or more bids will result in the rejection of all bids submitted by the Bidder.
- 10.2. The offer must be prepared in Polish or English.
- 10.3. The offer with attachments must be signed by persons authorized to represent the Bidder in accordance with the representation resulting from the relevant register or on the basis of a power of attorney granted.
- 10.4. If the person(s) signing the offer (representing the Bidder) acts on the basis of a power of attorney, this power of attorney must be attached to the offer.
- 10.5. The offer must include:
- a) the offer form (in accordance with Appendix No. 1 to the request for proposal),
 - b) statements and documents resulting from Chapters III and VI of the request for proposal,
 - c) power of attorney to act on behalf of the Bidder (if applicable).
- 10.6. If the Bidder presents information constituting a trade secret within the meaning of the Act of 16 April 1993 on combating unfair competition, it should clearly indicate which sections of the offer constitute a trade secret and may not be disclosed to third parties.
- 10.7. Before the deadline for submission of bids, the Bidder may make changes to the submitted bid or withdraw it. Changes to the offer or its withdrawal are made under the same conditions as its submission.
- 10.8. Bidders are obliged to carefully read the information contained in the request for proposal and any changes in the content of the request, explanations and answers published by the Contracting Authority during the procedure and preparation of the offer in accordance with the requirements specified by the Contracting Authority.

XI. METHOD OF COMMUNICATION BETWEEN THE CONTRACTING AUTHORITY AND BIDDERS

- 11.1. No information, explanations or answers to inquiries addressed to the Ordering Party by phone or e-mail are provided.
- 11.2. Questions regarding the request for proposal and requests for clarification regarding the content of the request should be sent **only via the Competitiveness Database** via the "Questions" tab on the request for proposal page [<https://bazakonkurencyjnosci.funduszeuropejskie.gov.pl/>], no later than 2 working days before the deadline for submission of bids.
- 11.3. Answers to the Bidders' questions and explanations to the content of the request for proposal will be provided to the Bidders only in such a way that the Contracting Authority publishes the content of the questions/requests for clarification together with the answers/explanations provided on the request for proposal page on the Competitiveness Database [<https://bazakonkurencyjnosci.funduszeuropejskie.gov.pl/>].

- 11.4. Provided that this does not affect competitiveness, in the course of the examination of bids, the Contracting Authority has the right to request from the Bidders explanations regarding the content of the submitted bids and supplementing the documentation.
- 11.5. The Contracting Authority has the right to ask the Tenderer for permission to correct obvious errors and accounting errors.
- 11.6. In the procedure, the Contracting Authorities and Bidders shall submit statements, applications, notices and information in Polish. Documents submitted in a foreign language must be submitted together with a translation into Polish (no sworn translation is required).
- 11.7. All notices, statements, requests and information provided in electronic form require immediate confirmation of receipt by each party upon request.
- 11.8. In the absence of confirmation of receipt of correspondence by the Bidder, the Contracting Authority assumes that the correspondence sent to the e-mail address provided by the Bidder in the offer form and via the Competitiveness Database via the "Questions" tab [<https://bazakonkurencyjnosci.fundusze-europejskie.gov.pl/>] has been delivered in a way that allows familiarization with its content.
- 11.9. Correspondence related to this procedure should be sent to the following e-mail address: proces.ofertowy@polpharma.com
- 11.10. In correspondence related to this procedure, the Bidders should use the procedure number: **INC/8/PR153521/ 2026-106897-276538**
- 11.11. The persons authorized to communicate with the Bidders are Marta Patek.

XII. MODE OF EVALUATION OF BIDS AND ANNOUNCEMENT OF RESULTS

- 12.1. The Contracting Authority reserves the right to additionally verify the credibility of the documents, statements, lists, data and information presented by the Bidders in the course of the evaluation of the offer.
- 12.2. Information on the outcome of the procedure will be published on the request for proposal page on the Competitiveness Database website in the "Offers" tab [<https://bazakonkurencyjnosci.fundusze-europejskie.gov.pl/>].
- 12.3. The selected Bidder will be informed by phone or e-mail about the date and place of signing the contract.
- 12.4. In the event that the Bidder whose bid has been selected fails to enter into the contract, the Contracting Authority has the right to sign the contract with the Bidder whose bid has received the next highest number of points, without conducting a new bidding procedure. The provisions of Section 8.7 shall apply accordingly.

XIII. CHANGE IN THE CONTENT OF THE AGREEMENT

- 13.1. The Contracting Authority reserves the right to make significant changes to the provisions of the concluded contract in relation to the content of the offer on the basis of which the Contractor was selected, in the following scope and situations:
- 13.1.1. changes in the provisions of European Union or national law to the extent affecting the performance of the Agreement (in particular changes in VAT rates);
 - 13.1.2. improve the technical parameters of the subject of the contract, without affecting the net lump sum price,
 - 13.1.3. extension of the deadline for the performance of the contract due to the need to perform additional works, the performance of which is necessary for the proper performance of the contract, and the performance of which the Ordering Party, acting with due diligence, could not have foreseen in advance;

- 13.1.4. extension of the deadline for the execution of the contract as a result of force majeure along with all the consequences arising in connection with the extension of this deadline;
- 13.1.5. extension of the deadline for the execution of the contract for other reasons beyond the control of the Contractor;
- 13.1.6. changes in the parameters of the subject of the contract, change in the material scope of the contract and change in the method of performance of the contract, not leading to a change in the nature of the contract – technological changes, in particular: the need to perform the contract with the use of technical/technological and material solutions other than those indicated in the request for proposal, in a situation where the application of the envisaged solutions would threaten non-performance or defective performance of the contract;
- 13.1.7. as a result of a change (indexation) of the Contractor's remuneration – in the event that the Agreement is extended for a period longer than 6 months, the Contractor's remuneration may change in the event of a change in the price of materials or costs related to the performance of the order above 10%. Method of determining the change in remuneration:
- the change in remuneration will take effect no earlier than from the month following the month in which the above-mentioned change in the price of materials or costs took place,
 - the change in remuneration will take place: (a) by reference to the index of change in the price of materials or costs, in particular the indicator announced in the announcement of the President of the Central Statistical Office, or (b) by indicating another basis, in particular a list of types of materials or costs for which the change in price entitles the parties to the contract to request a change in the remuneration,
 - The Contractor shall demonstrate the method of determining the impact of the change in the price of materials or costs on the cost of performance of the contract, and the contract shall specify the period in which the Contractor's remuneration may change,
 - the maximum value of the change in remuneration allowed by the Contracting Authority as a result of the application of the provisions on the rules for introducing changes in the amount of remuneration will amount to 25% of the net offer price, - if the changes listed in this paragraph will have an impact on the costs of performance of the contract by the Contractor;
- 13.1.8. changes listed in section 3.2.4 point 4 *of the Guidelines on the eligibility of expenditure for 2021-2027.*
- 13.2. The Contracting Authority also provides for the possibility of making insignificant changes to the provisions of the concluded contract in relation to the content of the offer on the basis of which the Contractor was selected.
- 13.3. Changes to the contract will be introduced in the form of an annex signed by both parties, and the possibility of their introduction depends on the acceptance by the Ordering Party.

XIV. OTHER INFORMATION

- 14.1. The Contracting Authority reserves the right to change or supplement the content of the request for proposal before the deadline for submission of bids. Information about the introduction of a change or supplementation of the content of the request for proposal will be published in the places where the request is published.
- 14.2. If the changes or additions to the content of the request for proposal require changes to the content of the offers, the Contracting Authority shall extend the deadline for submitting bids by the time needed to make changes to the bid.

- 14.3.** In the event of a discrepancy between the content of this document and the content of the announcement appearing in the Competitiveness Database form, the content of this document shall prevail. In the event of any discrepancies between the content of this document and the content of other documents included in the tender procedure documentation, the content of this document shall prevail.
- 14.4.** The bidder bears all costs related to the preparation and submission of the bid.
- 14.5.** The bidder submitting the bid remains bound by it for a period of 60 days counting from the date of expiry of the deadline for submitting the bid.
- 14.6.** The selection of the most advantageous offer does not mean that the Contracting Authority is obliged to conclude an agreement with the Contractor.
- 14.7.** The Contracting Authority reserves the right to award the Contractor additional contracts, not covered by the subject matter of the basic contract, if the changes concern the performance of additional supplies, services or construction works from the existing contractor, not covered by the basic contract, provided that they have become necessary and the following conditions have been met:
- i) the change of contractor cannot be made for economic or technical reasons, in particular those related to the interchangeability or interoperability of equipment, services or installations ordered under the basic contract,
 - ii) a change of contractor would cause a significant inconvenience or a significant increase in costs for the contracting authority,
 - iii) the value of the changes does not exceed 50% of the value of the contract originally specified in the contract,
- 14.8. PROTECTION OF PERSONAL DATA**
- With regard to the personal data contained in the offers, the Ordering Party will become the administrator of such data within the meaning of Article 4(7) of Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC ("GDPR"). The Contracting Authority will process this data for the purpose of evaluating the bids, concluding the contract with the selected Contractor and for the purposes of performing the concluded contract, i.e. on the basis of Article 6(1)(b) of the GDPR. The Contracting Authority will transfer the personal data contained in the submitted bids, on the basis of the relevant provisions of law, to the authorized authorities and institutions authorized to audit projects co-financed from the funds from the budget of the European Union. These data will be provided in particular to the Intermediate Body – the National Centre for Research and Development, and their administrator will be the minister responsible for development pursuant to Article 71(1). Information on the scope of data processing by the competent institutions can be found at: <https://www.funduszeuropejskie.gov.pl/strony/o-funduszach/ogolne-zasady-przetwarzania-danych-osobowych-w-ramach-funduszy-europejskich/>
