

Technical drawing of a mechanical part showing a cross-section. The drawing includes the following dimensions and features:

- Overall Width:** 124
- Top Flange:** Width 18, Height 57.
- Internal Features:** A central hole with diameter $\phi 42$. A vertical slot or feature is located at a distance of 79 from the right edge.
- Horizontal Dimensions:** 71, 81, 28, 57, 79, 124.
- Vertical Dimensions:** $\phi 63$, $\phi 38^{+0.4}_{-0.3}$, $\phi 54^{+0.12}_{-0.08}$, $\phi 61^{+0.12}_{-0.08}$.
- Angles:** $R2$ (fillet radius), $2 \times 45^\circ$ (chamfer angle), $1 \times 45^\circ$ (chamfer angle).
- Hatching:** The top flange and the internal slot are hatched.
