

CALCULATION OF BENDS ACCORDING TO EN 12952-5 (12952-3) / WYMAGANA GRUBOŚĆ ŚCIANKI RURY GIĘTEJ WG EN 12952-5 (12952-3)						
Item / Poz.	$d_o \cdot e_t$	$r_{\min}$	$u_{\max}$	$e_{\min} (e_{H_1})$	$e_{\min} (e_{H_2})$	
OFA. Punkt pomiarowy, Wziernik	Ø38x6,3	50	10	5,04	N/A	
Armatka wodna	Ø38x6,3	60	10	4,85	N/A	
Rura na przejściu	Ø38x8,8	100	7,6	7,09	N/A	

Tolerance elements of welded joints (for definite/precise dimensions in drawings and subject standards) acc. to EN 12952-5 (12952-3)												
Tolerances of welded elements (for definite/precise dimensions in drawings and subject standards) acc. to EN 12952-5 (12952-3)		Tolerances of welded elements (for definite/precise dimensions in drawings and subject standards) acc. to EN 12952-5 (12952-3)										
Klasa tolerancji	tolerance class	Zakres wymiarów nominalnych i w mm										
Tolerance class	tolerance class	Range of nominal dimensions and in mm										
tolerance class	tolerance class	Length of nominal dimensions and in mm										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions										
tolerance class	tolerance class	Tolerances in mm - of linear dimensions
