Note: all correspondence addressed to the Contracting Entity shall be marked with: Preliminary Market Consultation for "Long-term Service Contract for Gas Turbine-driven Compressor Units" Ref. No.: WKR/2024/10/0011/ZA

### LEGAL BASIS

The Preliminary Market Consultation shall be conducted pursuant to Article 84 of the Act of 11 September 2019, Public Procurement Law and in accordance with the *Rules for conducting preliminary market consultation* published on the Contracting Entity's website.

## II. SUBJECT OF THE CONTRACT AND PURPOSE OF THE MARKET CONSULTATION

1. The Contracting Entity hereby announces a Preliminary Market Consultation in advance of the procurement procedure to be conducted in parts.

Part I: "Long-term Service Contract for Gas Turbine-driven Compressor Units: Kędzierzyn-Koźle Compressor Station";

Part II: "Long-term Service Contract for Gas Turbine-driven Compressor Units: Jeleniów II Compressor Station".

The envisaged scope of the contracts referred to above shall include in particular:

- a) scheduled scope: performance of scheduled service in accordance with the operation and maintenance documentation and the DSC for annual servicing of the compressor units;
  - b) unscheduled scope (e.g. identified defects): repair of faults identified by the Contractor during the execution of the Scheduled Works and observed by the Contracting Entity during the operation of the compressor units, provision of technical consultations on the functioning and operation of the turbine-driven compressor units;
2. The purpose and object of the Market Consultation is to prepare the procurement procedure and inform the potential contractors about the Contracting Entity's plans and requirements for the contract.
  3. In the course of the market consultation, the Contracting Entity shall have the right to limit or extend the scope of the subject matter of the consultation to issues selected by the Contracting Entity, provided that, in the Contracting Entity's opinion, this will allow obtaining all relevant information for the planned contract award procedure.
  4. The scope of the service of each Compressor Unit includes: gas turbine, STC-SV centrifugal compressor with gas seal (seal gas) system, technical enclosure with ventilation system, air intakes and exhaust gas system, lube oil system with oil cooler, starting system, compressor cleaning system, gas fuel system, battery pack with rectifier, Unit Control System (UCS), I&C equipment, control devices, power supply and control systems.

### **III. REQUEST TO PARTICIPATE IN THE MARKET CONSULTATION**

1. In order to participate in the market consultation, the Contracting Entity must be provided with a completed Questionnaire constituting Appendix 2 to this Announcement.

2. Only entities admitted to consultation in accordance with the provisions of § 6(1) and (2) of the *Rules for conducting preliminary market consultation* may be take part in the market consultation.
3. The Request to Participate in the Market Consultation in the electronic form should be sent to GAZ-SYSTEM to by **19.11.2024** to: [marta.krawczyk@gaz-system.pl](mailto:marta.krawczyk@gaz-system.pl)

#### IV. RULES FOR CONDUCTING THE MARKET CONSULTATION

1. The Market Consultation shall be conducted pursuant to the Public Procurement Law and in accordance with the *Rules for conducting preliminary market consultation* published on the Contracting Entity's website.
2. There are the following conditions for the participation in the market consultation:
  - a) submission of the Questionnaire, constituting Appendix 2 to this Announcement, by the deadline specified herein,
  - b) fulfilment of the condition for participation in the Market Consultation by the Participant, i.e.:

The Market Consultation is open to Contractors who demonstrate that:

within the last seven years before the deadline for submission of the Request to Participate in the Market Consultation, and if the period of conducting business activity is shorter – during that period, they have completed at least one contract consisting of the performance of Scheduled Service of a gas turbine,

or

within the last seven years before the deadline for submission of the Request to Participate in the Market Consultation, and if the period of conducting business activity is shorter – during that period, they have performed or are in the process of performing at least one service contract valued at not less than EUR 200,000.00 (in the case of a contract in progress, the aforementioned value must refer to the already completed part of the contract) consisting of scheduled and unscheduled work on gas turbines.

3. The Market Consultation shall be conducted in Polish or English. The Participant, before entering the Market Consultation, shall be obliged to indicate the preferred language in which the consultation is to be conducted.
4. The Market Consultation shall be public, subject to §3(6) of the *Rules for Conducting Preliminary Market Consultation*.
